## Wisconsin Department of Workforce Development Bureau of Job Service 2018 Migrant and H-2A Worker Population Report

## 2018 Migrant Worker Population Report

Wis. Stat. 103.90-103.97 provides protections for migrant workers who temporarily leave their principal, out-of-state residence and come to Wisconsin for not more than 10 months in a year to accept seasonal employment in agriculture, horticulture or food processing.\*

<sup>\*</sup>The Migrant Population Report reflects the number of workers eligible for protection under Wis. Stats. 103.90-103.97, whose presence in Wisconsin was verified by DWD Migrant Labor Inspectors.

The data provided in this report is a record of the Department's enforcement activities and does not purport to provide comprehensive data about the migrant seasonal farmworkers in Wisconsin.

2006	1,696	2,511	391	4,598

## 2018 H-2A Population Report

This report reflects the number of foreign workers that were approved for temporary agricultural hire to fill jobs essential to the U.S. economy. Employers obtained certification after they demonstrated that there were insufficient qualified U.S. workers available and willing to perform the work at wages that meet or exceed the prevailing wage paid for that occupation in the area of intended employment.

COUNTY	H-2A Workers
